**Domingos DaRosa Announces Campaign for Mayor of Boston: "For the People, Not the Money"**

**BOSTON, MA - April 30, 2025** - Today, longtime community advocate and city servant Domingos DaRosa officially announced his candidacy for Mayor of Boston, promising to bring hands-on leadership to all 23 neighborhoods under the campaign theme "For the People, Not the Money."

DaRosa, born in Cabo Verde and raised throughout Boston's diverse neighborhoods of Roxbury, Dorchester, Mattapan, and Hyde Park, brings over two decades of direct service to the city's residents and a deep understanding of the challenges facing everyday Bostonians.

"I've walked these streets, coached these kids, and stood with our families when they needed help the most," said DaRosa. "I don't just talk about change—I live it every day. As your mayor, I'll bring that same commitment to City Hall."
